EDUCATION

Bs Information Technology

University of Malakand   📅 01/2021 - Present   📍 Kpk, lowder dir

STRENGTHS

⚡ **Problem-Solving**
Resolved complex software issues in previous role delivering a 40% reduction in long-standing unresolved problems.

🏅 **Collaboration**
Led a cross-functional team of four developers in the successful execution of a critical project on time and under budget.

✔ **Adaptability**
Quickly incorporated new software updates in all projects, ensuring minimal disruption to workflow and maintaining project schedules.

SKILLS

Javascript   Nodejs   Expressjs   React

HTML   CSS   MongoDb   Python

Nextjs   Bug Hunter   Excel   word

CERTIFICATION

Introductiton to Cybersecurity

Completed Cybersecurity course from coursera.

Javascript for beginners

Completed a Javascript course from Simplelearn.

Intro to Bug Bounty

Completed the bug bounty course from udemy

PASSIONS

⭐ **Coding**
Enjoy building and optimizing software applications, always on the lookout for new programming languages and techniques to learn.
